E.E. Sorenson, DVM

December 2, 2011

Dear Veterinary Technician:

My name is Dr. Erick Sorenson. I'm currently looking for a full time veterinary technician.

My practice offers clinical challenges serving a wide variety of patients in a very pleasant country office environment. Townsend is a beautiful little town on Canyon Ferry Lake nestled between the Elkhorn and Big Belt mountains. We're only 30 miles from Helena and 60 miles from Bozeman. Find out about Townsend at TownsendMT.com

If you are a veterinary technician, or know a veterinary technician who might be interested in this position, we would be delighted to make you a integral part of our outstanding veterinary team. Besides the usual assisting duties using a full complement of top quality equipment and instruments, you will be relied upon to aid me with training our assistants and with client communications.

We offer a very competitive wage, a very generous staff bonus system, and strong emphasis and assistance with continuing education. You will also love the very dedicated teammates you get to work with.

If this position isn't for you but you know of someone who would be interested in joining our team, we're offering \$100 referral award for any recruit you send us that makes it through probation.

So please call me today at 406-266-5794! I will be glad to answer any questions.

Sincerely,

Erick Sorenson DVM
